Graduate Admission

At the University of Florida, all references to criminal history in admissions applications are separated upon receipt and applications are reviewed for admission without awareness of whether the applicant checked the box related to criminal justice history. A separate team of specially trained University professionals on campus security and consultation assessment will evaluate whether a past criminal offense would justify a denial of admission and make a recommendation to the Director of Admissions.

Simply acknowledging a prior criminal history is not necessarily a bar to admission and applicants with a criminal justice history should not be discouraged from applying.

Please answer the following questions. Failure to answer both questions will delay processing of your application.

___ Yes ___ No  Are you currently or have you ever been, charged with or subject to disciplinary action for scholastic or any other type of misconduct at any educational institution?

___ Yes ___ No  Have you ever been charged with a violation of the law which resulted in, or if still pending, could result in, probation, community service, a jail sentence, the revocation or suspension of your driver's license (including traffic violations which have resulted in a fine of $200 or more)?

If your answer to either of these questions is yes, you must submit a full statement of relevant facts on a separate sheet attached to this form. You may be required to finish the university with copies of all official documentation explaining the final disposition of the proceedings.

If your records have been expunged pursuant to applicable law, you are not required to answer yes to these questions. If you are unsure whether you should answer yes, we strongly suggest that you answer yes and fully disclose all incidents. By doing so, you can avoid any risk of disciplinary action or revocation of an offer of admission.
