

## CONGRATULATIONS AND WELCOME TO

# THE GATOR NATION

The Office of Admissions wants you to have an easy transition as you continue your academic journey at the University of Florida. Please complete this to-do list for a successful entry into the Gator Nation.

<input type="checkbox"/>	<b>YOUR UFID</b>	You received your University of Florida Identification Number (UFID) when you submitted your application. Your UFID appears on all university records and transactions and appears on the front of your Gator1 ID card. Carry your Gator1 Card with you everywhere; it is your entry to most UF facilities and events.
<input type="checkbox"/>	<b>CREATE A GATORLINK ACCOUNT</b>	GatorLink is your computer network identity at the University of Florida. GatorLink offers access to a variety of campus computing services at no cost, including your official university email address. You may have already created a Gatorlink account to access you application status. If you do not have a Gatorlink account, create one at <a href="https://login.ufl.edu/">https://login.ufl.edu/</a>
<input type="checkbox"/>	<b>ATTEND TRANSFER ORIENTATION</b>	You will receive an appointment for orientation, academic advising and registration. All new transfer students must attend a one-day orientation to discuss academic requirements, receive academic advising from your college advisor and register for your courses. If you cannot attend, you must contact the Dean of Students Office at (352) 392-8396.
<input type="checkbox"/>	<b>SEND YOUR TRANSCRIPTS</b>	Your admission is valid only for a specific term, college and major. Admission is conditional until UF receives your final transcripts and validates successful completion of all conditions noted in your admission letter. Notify the Office of Admissions of any changes in the coursework you planned to complete before enrolling at UF. Any changes from what you indicated on your application could affect your admission. Send your final transcripts to the Office of Admissions, P.O. Box 114000, Gainesville, FL 32611-4000.
<input type="checkbox"/>	<b>SECURE YOUR HOUSING</b>	If you have not completed arrangements for campus housing, contact the Department of Housing and Residence Education immediately. Living off-campus? The Office of Off-Campus Life can assist you with finding a range of housing options in Gainesville.
<input type="checkbox"/>	<b>REQUIRED IMMUNIZATIONS</b>	UF requires all new students to show proof of immunizations prior to attending UF Preview/orientation. In order to register for classes, students must submit a completed UF Mandatory Immunization Health History form. <b>NOTE:</b> If needed, these immunizations may be obtained from the Student Health Care Center on the UF campus in Gainesville.
<input type="checkbox"/>	<b>PROOF OF INSURANCE</b>	All domestic students who are enrolled at least half time in a degree-seeking program are required to provide proof of health insurance that meets or exceeds UF's guidelines or they will be automatically enrolled in the default student insurance plan.
